

ECHO TABLE

Designed By: Oficio

The Echo Table inspired by the idea of resonance, Echo reflects the way conversations unfold in modern spaces. Ideas are shared, repeated, and built upon much like an echo where the table becomes the platform where this exchange happens. Its soft geometry and continuous curves are intentionally calming, encouraging a more fluid and human way of working.

At its core, Echo is about balance. A sculptural base grounds the piece with presence, while the softened tabletop edges create an approachable, almost residential feel. This contrast allows the table to sit effortlessly across environments from formal meeting rooms to collaborative studios and informal breakout areas.

The organic shape moves away from rigid, traditional workstations, instead supporting more natural interaction. There is no strict "head" of the table only a shared space that invites equality, openness, and connection.

A piece that brings people together, softens the workplace, and allows design and function to exist in quiet harmony.

- A** Soft Curved edge detail
- B** Rounded corners
- C** Floor levelers
- D** Customizable shape and size

EC-SQ
Dim overall: 1500mm W x 1500mm D
H: 730mm

EC-TR
Dim overall: 1800mm W x 1900mm D
H: 730mm

EC-OV
Dim overall: 3200mm W x 1400mm D
H: 730mm

EXECUTIVE BOX
Dual Lid with Brush Strip
4 x Switched GPO
1 x Inline USB A/C PD
Fast-Charge (30W shared)
Provision for 4 Data

Finishes:
Anodised lid or
Laminated to specification
