

## QUATTRO

Designed By: Oficio

The QUATTRO chair is uniquely sophisticated, perfectly proportioned to stand out while seamlessly fitting into modern workspaces.

With a focus on geometric precision, clean lines, and thoughtful craftsmanship, it embodies elegance and quiet confidence.

Its softly sculpted form, meticulously curated upholstery, and lightweight frame bring a sense of calm clarity, transforming any office into a space where focus, creativity, and inspiration flow naturally.

Smooth swivel and adjustable height features support natural movement throughout the day, keeping ideas flowing effortlessly.

Optional floating armrests and a minimal four-caster base enhance the chair's sense of lightness, giving QUATTRO a sculptural, refined presence that feels elevated yet effortless.

Every detail has purpose from ergonomic comfort to posture support, reflecting a dedication to thoughtful design, refined simplicity, and lasting elegance.

Modern, functional, and quietly confident, QUATTRO is more than just a chair, it is a space where work feels intentional, considered, and perfectly balanced between form and function.
